SAVE 10% WHEN YOU BUY FOUR OR MORE!

Show your special someone how much you care!

Your Edgewood College student is just beginning to adjust to new surroundings and a new school year. Although you may not be with your student during this exciting time, we know that you care about them – why not show them again in a very special way?

To make that easier for you, we've developed the Edgewood College Care Package Program so that you can share your special feelings during birthdays, mid-term exams, holidays, or "just because."

Care packages are a great way to lend support to your student. Please take a moment to consider what we have to offer you, and please give us a call if you have any questions. Be sure to consider the multi-package discount where you can save 10% when you buy four or more.

ORDERING INFORMATION:

Return the attached order form. Please include payment by check (payable to Edgewood College Dining Services).

Call us at 608-663-4276 Monday – Friday with any questions. Please allow three business days from the time we receive your order so we can be sure your student receives your special wishes on the day you choose.
