

Edgewood College Baccalaureate Alumni Career and Graduate/Professional Education Outcomes

1. Placement/Employment Rates for 1-Year-Out Baccalaureate Alumni

- The employment rate¹ for 1-year-out baccalaureate alumni respondents was 96.6%.
- The placement rate² for 1-year-out baccalaureate alumni respondents was 97.5%.

2. Graduate/Professional School Attendance

- 20.4% of 1-year-out baccalaureate alumni respondents have either earned a graduate/professional degree or are currently enrolled in a graduate/professional degree program.
- 22.4% for 5-year-out baccalaureate alumni respondents have either earned a graduate/professional degree or are currently enrolled in a graduate/professional degree program.
- 41.9% of 10-year-out baccalaureate alumni respondents have either earned a graduate/professional degree or are currently enrolled in a graduate/professional degree program.

3. Types of Graduate/Professional Degrees

- Of those baccalaureate alumni respondents who provided detailed information on their graduate/professional education, 80% have earned a master's degree or are currently enrolled in a master's degree program, 11% have earned a professional degree or are currently enrolled in a professional degree program (e.g., law, medicine), and 9% have earned a doctoral degree or are currently enrolled in a doctoral degree program.

¹ *Employment rate* is calculated by dividing the total number of the graduates who are employed or have accepted jobs prior to graduation *divided by* the number of graduates included in the numerator plus those who are seeking jobs but not yet employed.

² *Placement rate* is calculated as follows: the number of graduates who are employed, have accepted jobs prior to graduation, and/or will be attending graduate school in the fall *divided by* the number of graduates included in the numerator plus those who are seeking jobs but not yet employed.
