“I chose Edgewood College for my MBA because of its educational reputation and community dedication. I knew I would get to know other students and professors who thought that ethics, community, and purpose were paramount to all programs offered. The classroom discussions and group work was engaging and thought provoking, bringing the book material to life in a real way. I found that I was able to apply just about every class I took in some way during my work day. I truly believe that applying what I was learning helped me advance in my career and my experience and knowledge that I gained makes me a better leader.”

ADMISSION REQUIREMENTS

1. Provide evidence of a baccalaureate or more advanced degree from a United States regionally accredited or equivalent post-secondary institution with a cumulative grade point average of at least 2.75 on a 4.0 scale for regular admission status. The cumulative grade point average is computed on the highest degree held at the time of application to the Edgewood College graduate program.

2. Complete and submit graduate application (including $30 fee) to Graduate and Professional Studies.

3. Request that official transcripts for all undergraduate and graduate academic credits received from any post-secondary institutions be sent directly to Graduate and Professional Studies.

4. Provide two letters of recommendation from college or university professors, supervisors and/or professional colleagues who can focus on the probability of your success in graduate school.

5. Submit a written statement listing the reasons why you think you will be successful in graduate school; cite how specific background experiences will aid in your success as a student.

6. Suggested: Two years of relevant professional work experience.

7. Graduate Management Admission Test (GMAT) or Graduate Record Exam (GRE) (with score converted to comparable GMAT) score of at least 430. The GMAT or GRE requirement may be waived if the applicant meets one or more of the following criteria:
   A. Five or more years of relevant professional experience AND a GPA of at least 3.25 overall or on the last 60 credits
   B. A Bachelor of Business Administration or Bachelor of Science degree in Business from Edgewood College AND a GPA overall or on the last 60 credits of at least 3.25
   C. Current, active military or former military personnel, or veteran, honorably discharged. Veterans are considered those who have served at least 180 days of active duty (not including training) or who have been injured and determined to have a disability before 180 days. (Does not include those who served the length of their term in the National Guard or Reserves without being activated at any time.)

"I chose the Edgewood MBA program because it is a local program with a strong academic reputation that offers a flexible schedule. I appreciate the opportunities the program has given me to meet people in the business community (people with whom I continue to stay in touch), and I also came to appreciate the convenience of the classroom locations. I've been able to leverage my MBA as I work with people across a variety of functional areas (Finance, Marketing and Operations). The skills I learned at Edgewood were perfect complements to my professional background."

Edgewood College’s accredited MBA program provides a rigorous yet practical graduate business curriculum that gives students a powerful personal and professional competitive advantage.

PREREQUISITE SUMMARY
Most students admitted to the MBA satisfy the following two program prerequisites based on previous academic work or experience:

• Basic Mathematics: Requires mathematical proficiency at the level of college algebra and finite mathematics. Students requiring a course in this area may take BUS 500 – Quantitative Business Analysis.

• Basic Computer Skills: Requires computer proficiency to include basic systems operation, word processing, Excel spreadsheet, PowerPoint, and Internet research.

Whether an individual requires additional work is evaluated during the admission process by a review of the student’s academic record and GMAT scores.
