Please help us “Pay It Forward” by Contributing to the
**JACKIE POLITE MEMORIAL
NURSING SCHOLARSHIP FUND
AT EDGEWOOD COLLEGE**

We have included information on the reverse side.
Please make your check to Edgewood College, and send it to Rudy in the enclosed, stamped envelope or follow the online instructions.

(Please return by Sunday, December 31st)

“Since I was a little girl, I have always wanted to be a nurse because I was able to experience the impact medical treatment had through my Mom - a retired nurse...I'm grateful for the opportunity to receive support to complete this dream.” - Jana, 2023 recipient

Thank you for your support!
Linda made this beautiful handmade quilt - and for every \$10 you donate She'll put your name into the drawing to win it!

EDGEWOOD COLLEGE

Jackie Polite '12 Memorial Nursing Scholarship Fund

Jacqueline "Jackie" Polite, 59, died on May 28, 2020, following a brief yet intense struggle with cancer. She had a successful career first in spiritual leadership and education, and then returned to college to pursue a nursing degree. She graduated from Edgewood College at the top of her class and was awarded the School of Nursing's highest honor, the Mary Kelly-Powell Leadership Award. Upon graduation she was hired at UW Hospital where she found great fulfillment in serving others through her work as a registered nurse transplant coordinator who cared for liver and kidney transplant patients following their transplant surgery.

Jackie's friends and co-workers have created this fund to continue her legacy by supporting the education of our future nurses. The fund will be used to award one or more scholarships, depending on the fund total, to Edgewood College undergraduate nursing students with a preference for a returning adult student who is pursuing a second career and is interested in specializing in organ transplants or procurement.
