Sponsoring a total of 15 sports, the Edgewood College Eagles compete at the NCAA Division III level and are members of the Northern Athletics Collegiate Conference (NACC). Eagle Athletics have captured 63 Conference Championships, and have made 37 appearances in the NCAA Tournament.

Edgewood College is a place where true student-athletes thrive, succeeding in their sports and in the classroom. Since 2000, Edgewood College student-athletes have earned at least a 3.1 cumulative GPA each year and are always at the top of the Conference in Scholar-Athlete recognition. Every year, over 100 Eagle Student-Athletes earn this honor for having a cumulative GPA over 3.25.

As part of the Edgewood College Educational Community, the Department of Intercollegiate Athletics is guided by the traditions of the Sinsinawa Dominicans and the mission of Edgewood College. Participating together, coaches and student-athletes strive to foster healthy competition, cooperation, and an understanding of every individual's value, while maintaining a commitment to academic and athletic excellence. Each year Edgewood College Eagles complete more than 2,000 hours of community service.

A MESSAGE FROM THE DIRECTOR OF ATHLETICS

As the Director of Athletics, I am honored to work daily with student-athletes who enjoy learning, are involved in their academics outside regular classroom time, and take great pride in performing well academically. Edgewood College student-athletes have tremendous passion for reaching their potential—both on and off the playing field.

This is demonstrated in our numerous conference titles, conference tournament titles, NCAA tournament appearances, individual champions, All-Region and All-American performers, and Coaches of the Year. Every year, nearly 50% of our student-athletes earn conference scholar-athlete honors.

If you are committed to excellence and want to make a meaningful difference in the world around you, you may be a great fit for the Edgewood College Eagles. I encourage you to learn more about the fantastic programs our current student-athletes already enjoy by visiting www.EdgewoodCollegeEagles.com or by calling 608-663-3249.
