

### Thank you for your interest in the inTuition Grant.

Our admissions team is excited to answer any questions or provide additional individualized information. Please contact us at [admissions@edgewood.edu](mailto:admissions@edgewood.edu) or 608-663-2294 today.

#### How much will I actually pay?

Once you qualify for inTuition, we guarantee that you will receive at least \$20,300 in scholarships and grants annually. Any federal or state grants along with your Presidential scholarship will be applied to tuition first. Any remaining need will be supplemented with an inTuition Grant to ensure your tuition does not exceed \$11,400.

#### Sample student:

\$31,600	Full-Time Tuition
-\$15,000	Presidential Scholarship
-\$5,200	inTuition Grant (may include Pell Grant or WI Grant)
<b>\$11,400</b>	Balance due for tuition

Additional scholarships and grants may be awarded based on financial information or applying for specialty awards that can reduce the balance due.

#### Is my campus housing and meal plan included?

No. The guaranteed maximum of \$11,400 reflects tuition only. If you are living on campus, housing and meal plan will be itemized on your bill and is \$11,700 on average. Additional grants/scholarships, outside, scholarships, student employment and loans can be used to help pay for this.

#### What can I do to get additional financial aid?

If you qualify for inTuition, you can still apply for Edgewood College's specialty awards and talent scholarships.

Learn more at [edgewood.edu/admissions/tuition-and-financial-aid/talent-scholarships](http://edgewood.edu/admissions/tuition-and-financial-aid/talent-scholarships)

You may also seek outside scholarships.

Learn more at [www.edgewood.edu/outsidescholarships](http://www.edgewood.edu/outsidescholarships)

#### Will my financial aid package remain the same each year?

Please expect a slight tuition increase of 3-5% annually. The inTuition Grant and your Presidential scholarship will not change and are renewable as long as you are a full-time undergraduate. Eligibility for federal and state grants is determined annually.

#### What if I don't qualify now but I increase my ACT/SAT or cumulative high school grade point?

We encourage you to work hard to improve. If your test score or GPA increases, please submit your scores to Edgewood College by July 1, 2020, and we can determine if you qualify for the inTuition Grant.

#### Am I guaranteed admission into my major/program of choice?

Yes. If you qualify for the inTuition Grant, you have met the initial required criteria to be directly admitted into your desired academic program/major. Please note that some majors have additional program requirements.

#### Are out-of-state students eligible for the inTuition Grant?

Yes, the inTuition Grant is available to out-of-state students.

#### Are Undocumented/DREAMer/DACA students eligible for the inTuition Grant?

Yes. You should complete the DACA/DREAMers Financial Aid Application. Learn more at: [diversity.edgewood.edu](http://diversity.edgewood.edu) > Resources and Scholarships > Undocumented/DACA and Dreamer students.
