A Year-long Supported Learning Community: 2019-20 EDGEWOOD COLLEGE PROFESSIONAL AND CONTINUING EDUCATION

BUILDING FROM THE SUCCESS OF THE INITIAL COACHING CREDENTIAL PROGRAM, EDGEWOOD COLLEGE IS AGAIN PROVIDING AN ADVANCED CREDENTIALING PROGRAM DURING THE COMING SCHOOL YEAR. THE PROGRAM DESIGN IS BASED UPON THE FOLLOWING OBJECTIVES:

PARTICIPANTS WILL...

- expand their facilitative repertoire in supporting school improvement processes, data analysis, team development, effective meetings, and cognitive conflict;
- explore new supporting functions including mentoring new teachers, developing peer observations/coaching, and presentation skills;
- reflect on their coaching strengths/areas for growth to develop a personalized learning plan for the year;
- experience the ongoing support of a coaching cohort, problem-solving with colleagues, and consultation/coaching across the school year.

PROGRAM DESIGN

Meeting approximately every three weeks across the school year, these Saturday professional development sessions will provide a setting in which learning, practice and reflection are fostered. Between sessions, participants will be asked to apply role-specific strategies and skills in their school or district contexts. The Saturday meetings (9:00 AM -2:00 PM) will include time to problem-solve around setting-specific issues, and participants will receive resources that support their deepening coaching practice.

INTENDED PARTICIPANTS

Current or aspiring instructional coaches at the school or district level including literacy or math coaches, positive behavior support coaches, peer coaches, program support teachers, and administrators integrating coaching into their support of teachers.

This advanced credential program is intended for those who have completed the Instructional Coach Credential through Edgewood or who have comparable background knowledge and skills.
