

Exams, Graduations, and Summer!

As we come to a close for Spring 2026, we are excited for students to graduate, take their exams, and have a restful summer off where they can be back with their families and communities. Your commitment to your students' success and well-being makes all the difference. We know our students have been excelling in their academics and social endeavors and we look forward to see them do this next year or in their new adventure after Edgewood.

Thank you for being an essential part of the Edgewood family!

Year in Review

This year our students danced at our Winterfrost Gala, cheered at baseball games, built flowers and terrariums at OSI events, and so much more!

Final Exams

Final Exams Season can be a stressful time for students but we are here to help! Final Exams are happening between **Mon May 11th - Fri May 15th**.

If a student needs a nice place to relax and study they can try the **Learning Lab** and **The Testing Center**.

Everyone needs support, so if a student has any accommodations required to support their final exams, **Disability and Accessibility Services** are always available. If students need alternate test taking times or support with extensions or different materials, this is the perfect place to go for support.

Commencement!

The moment families, students, faculty, and staff are all here for has arrived. Our class of 2026 will be walking in their cap and gowns on **Saturday, May 16, 2026!** Students may visit the [Registrar's Office SharePoint](#) (login required) to secure the successful conferral of their degree and participate in Commencement.

Congratulations to our Fall 2026 Class!

Tickets are required for guests and will be issued to the graduates participating in Commencement.

What do Eagle Families Need?

Edgewood University fully believes in the support of Eagle Families for our students. Part of that is knowing what support you all need. Please help us gather information about what types of engagements you want to see in the future. We hope your thoughts can help us support current and future families. Please take a few minutes to fill out our form through the QR code or the link provided.
