

EAGLE FAMILIES

July 2026 Newsletter

Incoming and Returning Eagle Families!

We are happy to welcome our incoming New and Transfer students to our Edgewood community. We also welcome back our returning students and thank our Eagle Families for supporting our students within and outside of the University. To help your students succeed and be in the know, please see what's coming up for Orientation and Welcome Week!

Thank you for being an essential part of the Edgewood family!

Eagle Orientation

To get acclimated to Edgewood University, please remind your student to complete their Online Pre-Orientation and attend the In-Person Orientation!

Online Pre-Orientation

To best resource our students, we have curated modules in *Canvas* for students to complete. The modules are **due by August 15th** to be ready for the In-Person Orientation.

In-Person Orientation

We will hold our In-Person Orientations as a way for incoming students to interact with one another and get to know their groups for the upcoming academic year like their COR 1 group.

- **Transfer Eagle Orientation** | Aug. 17th | Washburn Heritage room
- **New Eagle Orientation** | Aug. 21st - Aug. 23rd | Check In at Predolin Lobby

All information concerning Orientation has been sent to the students' Edgewood e-mail. Please be sure to check spam folders for e-mails from *Edgewood University* and *Vector Solutions*.

Questions or Concerns?

Please email us at OSI@edgewood.edu or visit <https://www.edgewood.edu/student-life/orientation/>

Welcome Week | Aug. 21 -Aug. 29

To kick off the year we will be holding our annual *Welcome Week* events. The first event is set on the first day of Orientation so that students will get to connect to the Edgewood community right away.

This is a great time for *new* and *returning* students to find their community and get some prizes like speakers or even an lpad!

Encourage your students to attend!

Office of Student Involvement
